METEOROLOGICAL SUMMARY

Conditions that Prevailed During the

Month of Oct ber,

fight has predominated over State affairs. John H. Clarke has been known for years as an orator, and his eloquent andreases have been directed against Senator Hanna, while Mayor Tom L. Johnson, the Democratic candidate for Governor, and other Democratic speakers have also made Hanna the target of their attacks. Senator Hanna aimed his philipies at Mayor Johnson more than at his Senatorial opponent. Johnson was charged with being the real candidate for Senator, as well as for Governor, and prospectively a candidate for the Democratic nomination for President next year. While Hanna and Johnson are not candidates for the same place, yet the fight has been one throughout between these two men.

The indications are that Johnson will get most of the Socialist vote, which was over 17,000 last year, but it is very doubtful fit the whole of that vote would equal its Democratic losses. All predictions are that the Republicans will elect their State ticket by a large plurality, and the only callms of the Democrats are for the Legislature. It is held by the Democrats that the Republicans might elect their State ticket by fifty thousand plurally, and yet loss the Legislature.

Chairma'n of Dem.crats is Confider of Successful Outcome.

(By Associated Press.) CLEVELAND, OHIO, October 31 .-Charles P. Salen, chairman of the Demoeratic State Executive Committee, toeratic State Executive Committee, to-night issued the following statement: "At the close of the greatest campaign ever waged by the Democratic party of Ohlo, the issues which Mayor Johnson precipitated are stronger, and the forces supporting them more determined and better entrenched than at any time in the campaign.

better entrenched than at any time in the campaign.

'Those Republican voters who regard citizenship above party and who revolt against political commercialism, will cast their votes for the Democratic nominees throughout the State.

'In the contets for Governor Mr. Johnson has the opposition of the boodlers of his own party. Johnson's vote will show a gain in every county in Ohio. I believe that he will be elected."

IN MARYLAND

Republicans and Democrats Both Mak-Claims.

(By Associated Press.)
BALTIMORE, MD., October 31.—The tampaign in Maryland came to a close tampaign in Maryland came to a close to-night after a six-weeks' period of pecch-making in every county and in the city of Baltimore almost unprecedented in the history of the State for enthusiasm and partisan activity. The Democrats had their last grand rally last night, and to-night the Republicans had a final great gathering in Music Hall, where thousands listened to speeches by Stevenson A: Williams, the Republican candidate for Governor; United States Senator McComas and other noted leaders. The end of the campaign finds the Republican and Democratic campaign managers equally confident of victory on Tucsday next.

John R. Hanna, chairman of the Republican State Central Committee, in a formal statement late this afternoon, said be would not give out any figures as to the expected sctual majorities in the various counties, but claims that a decided triumph is assured.

Murray Vandiver, chairman of the Democratic State Central Committee, also issued a statement this afternoon, expressing confidence and making more specific claims as to the State and legislative tickets. He said:

"We will carry the State by 15,00 majority, and ought to have ninety members of the Legislature on joint ballot. In fact, I cannot see where the Republicans are going to get the thirty-eight votes that such a statement concedes them. We will control both branches of the Legislature." to-night after a six-weeks' period of

AN INDIAN TRICK

Put Ball Under His Jarsey and Ran the Length of Field for Touchdown. (By Associated Press.)
CAMBRDIGE, MASS., Oct. 31.-in an

intensely exciting and decidedly sensa-tional foot-ball game, Harvard defeated the Carlisle Indians to-day, 12 to 11.

The closeness of the score was made possible by one of the most unique tricks on a a foot-tried ball field for many years. Dillon at the start of the second hair received the Harvard kick off on his five yard line, and then hiding the ball ander his fersey behind his back, ran the length of the field empty-handed for a touch-down. There is apparently no rule covering this trick, so the play stood.

Lafavette Field.

(Special to The Times-Dispatch.)

NORFOLK. VA., Oct. 21.—Hampden-Sidney lowered her colors to Richmond College by a score of 23 to 6 at Latayette Field, in this city, to-day. The old time rivniry between the two institutions gave added interest to the contest. Nobody was hurt, and to-night the teams are all at the theatre.

The game was devold of sensational plays, but was a hard fousht contest to the finish. Although outplayed and outclassed at all points Hampden-Sidney put up a plucky game. The feature of her game was the playing of Captain Gammon, who was constantly all over the field, encouraging his mon and doing more than an ordinary man's part in his position of quarterback.

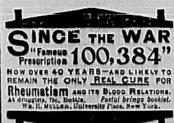

Richmond won the toss and selected the east goal. Hampden-Sidney kicked off to Richmond's twenty-yard; Toombs advanced ball ten yards Richmond was penalized twenty yards for holding in line, and was forced to kick; Smith made a beautiful punt to center of field. Hampden-Sidney, unable to make required five yards, kickes to Spillman, who davances ball twenty yards before being downed.
